Transfer Student Sample Academic Plan needing MAT 16A and 16B

Math Placement Examination: All students who register in MAT 12, 16A, 17A, or 21A will be required to take the Math Placement Exam. This means SAT-M or AP scores will no longer be accepted. For MAT 16A, 17A, or 21A, you are required to take the Math Placement Exam regardless if you passed MAT 12 (or an equivalent course elsewhere). More information about the exam can be found at:

https://www.math.ucdavis.edu/undergrad/math_placement.

All prerequisite courses need to be completed before enrolling in Economics courses, otherwise, you run the risk of being dropped from the course. Prerequisites can be found in the catalog under each course description. The catalog can be found at: <http://catalog.ucdavis.edu/>

- ECN 100A, 100B, and 101 have prerequisites of ECN 1A, 1B; MAT 16A-16B, 17A-17B or 21A-21B
- ECN Advanced courses have prerequisites of at least ECN 100A, 100B, and/or ECN 101
- ECN Elective courses have prerequisites of ECN 1A and 1B

In addition to your major requirements, you will need to complete university and college requirements. These requirements can fill the open slots in your schedule. Many Economics students pursue a minor or double major.

Please be sure to check with the College of Letters and Science to ensure you are completing all the University and College requirements for graduation. More information for the College of Letters and Science can be found at: <https://www.ls.ucdavis.edu>.
